

PRIME MINISTER • PREMIER MINISTRE

2017

Dear Friends:

I am pleased to offer my sincere congratulations to the many schools receiving the 2016–2017 Quality Daily Physical Education Award, presented by Physical and Health Education Canada.

This award recognizes the great success of your school's physical education program and the myriad of benefits it has brought to your students. As a former teacher and someone who enjoys a number sports, I know how important it is to get students moving and to instill in them the knowledge and skills needed to develop positive physical activity habits.

I would like to commend the staff, coaches and parents for their hard work and dedication in ensuring a successful physical education experience for students. This year marks a momentous occasion in our nation's history: the 150th anniversary of Canada's Confederation. As Canadians from coast to coast come together to celebrate our country's accomplishments and triumphs, you can take satisfaction in knowing that you are helping to build a healthier Canada for us all.

Please accept my best wishes for continued success.

Sincerely,

The Rt. Hon. Justin P.J. Trudeau, P.C., M.P.
Prime Minister of Canada
